Three things make up the new employee: Knowledge - Skills - Wanting

CV Consulting has been a successful HR consultancy for almost 20 years. For years we were based in Germany (Mannheim and Ottendorf-Okrilla near Dresden). Since mid-2020, we have been based in the Oberwart district of Austria.

CV Consulting has set itself the goal of providing precise support to every client through our expertise in the selection of high potentials. CV Consulting achieves this goal by adapting flexibly to the individual needs of our customers.

In addition to a partnership, our philosophy in recruiting is characterised by professionalism and seriousness.
